

Soothing Arnica Eye Gel and Mask

Introduction

This eye gel feels fabulous under your eyes! It is cooling and soothing but also moisturising. Formulated specifically to help with under-eye shadows and puffiness

Skin Type

All skin types

Ingredients and benefits

The herbal tinctures of Arnica and Eyebright work together to reduce puffiness and dark circles. Cucumber extract contains a host of ingredients to support the skin at a cellular level. Hyaluronic Acid is nicknamed the fountain of youth! I have added Argan Oil for its anti-wrinkle properties and Glycerine and Rose water for protection and moisturising effects.

How to use it

One pump on the back of the hand is more than enough am and pm, take the product on to the ring fingers and dot under the eye. To use the product as an eye mask to freshen your look before a night out. Use two pumps then rest for a while with cucumber slices over your eyes. You'll love the results!
