

Firm and Nourish Cleanser

Introduction

A beautiful product to start and end your day in your skincare routine. My customers comment that they love the fragrance and it sets them up for the day.

Skin Type

Dry, dehydrated, mature and normal skins love this product!

Ingredients and benefits

It contains two different kinds of beeswax which has soothing, moisturising and protective properties. Castor Oil provides deep cleansing, while Sweet Almond Oil is softening and moisturising. Fragranced with Lavender, Rose Geranium and Patchouli essential oils helps to rejuvenate, and balance the skin, promote the growth of new cells and helps the skin to maintain suppleness.

How to use it

Apply to the skin using circular movements. Remove with a damp cloth, cotton pads or simply rinse off.
