

## **Sensitive Facial Wash**

### **Introduction**

The ingredients in this product have been chosen because they are unlikely to cause a sensitive reaction. The Sensitive Facial Wash can also be used as a body wash.

### **Skin Type**

Sensitive, fragile and irritated skin.

### **Ingredients and benefits**

Sensitive Facial Wash contains Aloe Vera, Panthenol, and a blend of Chamomile, Lavender and Neroli Essential Oils. The product has soothing, regenerating and calming properties and Neroli Oil helps to reduce redness.

### **How to use it**

Apply to damp hands to bring to a lather. Apply to the skin in circular movements morning and evening – rinse off.
