

## **Sensitive Moisturiser**

### **Introduction**

The ingredients in this product have been chosen because they are unlikely to cause a reaction when used on.

### **Skin Type**

Sensitive, fragile and irritated skin.

### **Ingredients and benefits**

Rosehip Oil, Apricot Kernel Oil, Borage Oil, Aloe Vera ensure that this moisturiser rejuvenates, helps the skin retain moisture, improves elasticity and softens the skin. A blend of Chamomile, Neroli and Rose Geranium Essential Oils provided anti-inflammatory, calming and soothing properties while helping to reduce redness. Allantoin, a derivative of the comfrey is included in the formulation as it helps reduce the skin's reaction to irritants.

### **How to use it**

Apply to the skin in upward movements am and pm.
